

COVID-19 and Pig Trail H.O.G. Events

What is coronavirus disease 2019?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

Can I get COVID-19?

Yes. COVID-19 is spreading from person to person in parts of the world. Risk of infection from the virus that causes COVID-19 is higher for people who are in close contact of someone known to have COVID-19, for example healthcare workers, or household members. Other people at higher risk for infection are those who live in or have recently been in an area with ongoing spread of COVID-19.

People can help protect themselves from respiratory illness with everyday preventive actions.

Avoid close contact with people who are sick.
Avoid touching your eyes, nose, and mouth with unwashed hands.

Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.

After many conversations with Kyle Johnson, Warren Sherman, and Garry Raymond, about COVID-19 and what PTHD and PTHD HOG Chapter 2075 roles should be to protect our HOG Chapter members; Our goal is to keep our members safe as possible.

Our current events are changing rapidly every day. With this in mind, we have decided to cancel events, rides, and other motorcycle related activities on a **case by case basis**. We will notify our members by email, HOG Central Information Center at PTHD, and Facebook posts. Each Road Captain that has scheduled weekday rides, dinner rides, or weekend rides will have the option to cancel that ride upon their judgement from the current CDC and AR state requirements.

Best case situation, **common sense** should dictate your discussion to participate in rides, events, and other motorcycle related activities that are offered.

Do not have your feels hurt, if someone doesn't want to shake your hand or give you a hug. Be respectful of their personal space.

Ride your Ride.
