If you are not getting the chapter grams in an email, please check that we have your correct email address. We are going to be changing how we conduct meetings from now on and try to not have so much business. We will be putting all the business and details in the Chapter Gram such as;

Treasury reports and details of the rides that will be in the future.

The meeting will be to discuss immediate or urgent things that are pertaining to the day or the next week or two coming up. That way the meeting will be more fun and we give away prizes and everyone will want to come.

Everyone will need to go outside for a Chapter Photo right after the meeting.
